PROFIT WARNING

This announcement is made by Huakang Biomedical Holdings Company Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM (the “**GEM Listing Rules**”) of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance, Chapter 571 of the Laws of Hong Kong.

Based on the information currently available to the board (the “**Board**”) of directors (the “**Directors**”) of the Company, including the preliminary review of the latest unaudited consolidated management accounts of the Group, the Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is expected to record a decrease in revenue for the six months ended 30 June 2019 (the “**2019 Interim Revenue**”) by approximately 12.9% as compared with that of the corresponding period of 2018. The Group is also expected to record a decrease in profit before listing expenses for the six months ended 30 June 2019 (the “**2019 Interim Profit**”) by approximately 88.8% as compared with that of the corresponding period of 2018.

The Board believes that the expected decrease in 2019 Interim Revenue and 2019 Interim Profit were mainly due to the following corresponding reasons:

- (i) a decrease in sales to some of the customers of the Group, including direct sales customers and distributors compared to the six months ended 30 June 2018;
- (ii) incurrence of additional administrative expenses including directors’ emoluments, rental expenses of the Company’s head office in Hong Kong and professional fees after listing of the shares of the Company on GEM of the Stock Exchange on 13 December 2018; and
- (iii) the investment in strengthening our talent pool by recruiting more experienced personnel and improving the incentive package of our employees as well as more business trips to explore new business opportunities and potential international cooperation.

The information contained in this announcement is only based on the information currently available to the Board, including the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2019, which have not been audited or reviewed by the auditors and the audit committee of the Company.

The Company is still in the process of finalising the Group's financial results for the six months ended 30 June 2019. Shareholders and potential investors of the Company are advised to refer to the interim results announcement of the Company for the six months ended 30 June 2019, which is expected to be published before mid-August 2019.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
